

Notes

News section can be completely take out. Instead it can populate the landing page

‘Careers’ can either be put within the ‘staff’ sub-nav or it can be an item upon landing on the **About Us** page

‘**Blog**’ will be placed withing media while ‘**E-Newsletter**’ will be removed as a sub-nav. Instead it will be a check-box that the user click/subscribe to during registration

Design team will need to come up with a solution for displaying their different ways/ method of donation
